

Summer Camp 2011

Camp Fiesta Island

You've just got to go! Don't miss it this time as summer camp is being held at a truly special location – CAMP FIESTA ISLAND in San Diego. Camp is affordable if you start planning NOW. Speak with your families and find out what you can do to help earn \$15.00 per week.

We will be taking \$15.00 deposits to hold your spot on September 7th. A parents' meeting will be held in the future to outline camp amenities and to answer questions.

There's plenty to do for newer Scouts and for Venture Crew members.

Nautical Survival

Fiesta Island's Nautical Survival program combines the best of Scouting's outdoor tactics. Start with wilderness survival merit badge, toss in a simulated "shipwreck", add pioneering skills and build your own raft to escape to the island! Nautical Survival is a 2 session class. Scouts will earn the wilderness survival and pioneering merit badges. Age 14+.

Night Kayak

Paddle into the darkness and watch fireworks (courtesy of Sea World) from a different perspective

See back for a typical day at Camp Fiesta Island!

Days on the Island

On the Island you will find a full array of programs to meet the desires of the first year Scout and the Eagle Scout alike.
